

Welcome to our special 11th Sunday - the service of the month when we are especially creative and interactive for all ages. Today there will be several "stations" giving you an opportunity to connect with the theme or a chance to remain in your seat and reflect on things you have sung or heard. Steve is leading our praise time and David will be directing our thoughts to "Love hearts." At the end of the service drinks and doughnuts are available in the café area.

#### **FORTHCOMING SUNDAYS**

**May 16** Morning Communion

**May 23** Pentecost Sunday - service to include renewal of wedding vows of Shirley and David Line and farewell to the O'Connell family. After this service there will be a very short Church Members' meeting to approve financing of a new projector and improvements to our lobby area.

During this service, we welcome and recognise our new Youth Mayor - **Matt Badcock**. In the afternoon many are heading up to Wiston Park for the Big Church Day Out.

**June 6** Sandra will be leading this service - a service which begins a new month and so a look at a new Spiritual Discipline - that of creativity.

**June 13** For this 11 Sunday, we have two special visitors - Helen Hiles, who is a local artist and will be running one of the "stations" which will be a reflective workshop using art and Tim Ross, a local Methodist Minister who will be presenting a triptych to think about.

**June 20** Afternoon Community Celebration on Downsbrook School field. Special guests include "Tony" from The Bill and Steve Legg, an escapologist.

**July 11** Special Guest Service, including the dedication of Reuben.

#### **INTERACTIVE ACTIVITIES TO TRY DURING THE SERVICE**

During the service, we will be having a short time when you can move to a different area and take part in a different activity. Today these will be:

- \* Take one or two of the ten commandments and put them into text message format
- \* Go to the prayer area at the back and use the materials to write a letter to God expressing where you are in your relationship with him and ask any questions you may want to know the answers to
- \* Use a stick it note to write down an encouraging message for someone and stick it to the board for someone to take home
- \* Make a phylactery- a box with a scroll to wear on your forehead
- \* Stay in your seat and use the time to record some thoughts in the journal page available in the pews

Children - ask to borrow a pencil or crayon and try giving this picture some shading.

Betty thanks everyone for their cards and good wishes on the celebration of her 90th birthday.
